**ORDER REGARDING USE OF VIDEO CONFERENCING/TELECONFERENCING  
FOR FELONY PLEAS AND/OR SENTENCINGS**

In accordance with the operative COVID-19 standing orders, this Court finds:

That the Defendant (or the Juvenile) has consented to the use of video teleconferencing/teleconferencing to conduct the proceeding(s) held today, after consultation with counsel; and

That the proceeding(s) to be held today cannot be further delayed without serious harm to the interests of justice, for the following specific reasons: 1) Limited ability to conduct in-person hearings for indefinite period; 2) consent of Defendant and Defendant's desire to proceed at this time; and 3) to permit the United States to obtain a resolution of the case.

Accordingly, the proceeding(s) held on this date may be conducted by:

Video Teleconferencing

Teleconferencing, because video teleconferencing is not reasonably available for the following reason:

The Defendant (or the Juvenile) is detained at a facility lacking video teleconferencing capability.
